NUI Galway

Quiz 1 (Deer): Post ST and Simulation

Please tell us whether you think Systems Thinking and Simulation were useful

* 1. To what extent do you think that applying Systems Thinking ideas has helped you understand the deer herd management problem better?

Did not help at all	Helped a little	Helped somewhat	Helped quite a lot	Really transformed the way I saw the problem
◯	◯	◯	◯	◯

Add any further comments about the usefulness of Systems Thinking (optional)

* 2. To what extent do you think that interacting with Simulations has helped you understand the deer herd management problem better?

Did not help at all	Helped a little	Helped somewhat	Helped quite a lot	Really transformed the way I saw the problem
◯	◯	◯	◯	◯

Add any further comments about the usefulness of Simulation (optional)
